PROFESSIONAL SUMMARY

To secure a challenging position where I can apply my current knowledge effectively, while continuously learning and growing. I seek an opportunity that not only pushes me to expand my capabilities but also allows me to contribute meaningfully to the organization's success and my own personal and professional development.

EDUCATION

B.Tech in Computer Science – CGPA: 8.03 <i>FISAT (Federal Institute of Science and Technology)</i>	2022 – 2026
Higher Secondary Education (HSE) – CGPA: 9.6 <i>Kerala Board</i>	2022
Secondary School (AISSE) – CGPA: 8.9 <i>CBSE Board</i>	2020

TECHNICAL SKILLS

Languages: C, C++, Java, Python, C#, JavaScript, TypeScript, PHP
Web & Frameworks: HTML5, CSS3, React.js, React Native, ASP.NET, .NET Framework, Node.js
Databases & Cloud: PostgreSQL, MySQL, Microsoft SQL Server | AWS (EC2, S3, IAM)
Tools & Practices: Git, GitHub, Figma, Linux, Windows

EXPERIENCE

Full Stack Developer Intern <i>Tech Bright Solutions</i>	2025
– Developed and maintained full-stack web applications using .NET Framework, C#, HTML5 , and CSS3 , enhancing UI responsiveness and backend performance.	

PROJECTS

Smart Home Surveillance & Monitoring System | *React Native, Python, REST API*
– Engineered a cross-platform IoT mobile application with real-time video streaming, automated alert notifications, and remote device control, improving home security monitoring efficiency.

Campus Event Management System | *React, TypeScript, PostgreSQL, REST API*
– Architected and deployed a full-stack web application featuring RESTful APIs, and a dynamic admin dashboard to streamline event scheduling across campus.

Student Management Portal | *ASP.NET, C#, HTML/CSS, Microsoft SQL Server*
– Designed and implemented a secure student record management portal with full CRUD operations, role-based access control, and an intuitive UI for faculty and administrators.

Hotel Management System | *JavaScript, HTML5, CSS3, MySQL*
– Developed a responsive web-based hotel management system handling room reservations, customer records, and automated billing with robust input validation and dynamic data rendering.

CERTIFICATIONS & COURSES

IBM: DevOps Fundamentals (2026)
IBM SkillsBuild: Artificial Intelligence Fundamentals (2024)
Amazon Web Services: AWS Cloud Practitioner Essentials (2024)
iOS App Development: Swift Programming (2023)

LEADERSHIP & ACTIVITIES

EXECOM Member <i>ACM FISAT Student Chapter</i>	2023 – 2024
– Organized technical workshops, events, and knowledge-sharing sessions for the student community.	
Event Coordinator <i>Fisat Horizon Club</i>	2024
– Lead teams in hosting events throughout the year.	
NSS Member <i>National Service Scheme</i>	2023
– Community Outreach Program for social development.	

ACHIEVEMENTS & INTERESTS

Trinity Grade 2 Qualified Keyboardist
Trinity College London
– Certified Trinity College London Grade 2 Keyboardist, strengthening discipline, focus, and structured learning ability.

Sports
– Active participant in football events and other sports activities.
